The KD Line's MS RheinEnergie and the MS RheinFantasie

Launched in 2004, the MS RheinEnergie is a floating event venue that is ideally suited to host all kinds of events including company anniversaries, weddings, carnival sessions and summer parties. With room for up to 1,100 passengers in the large gallery salon with stage, two viewing salons and the exclusive terrace, the MS RheinFantasie is fitted with state-of-the-art entertainment equipment and all the mod cons one would expect from a vessel launched in 2011. Extra features include air conditioning, level entry, elevator access to all decks, a disabled persons restroom, stage (approx. 35 sqm), changing quarters for performers, projection screen, beamer, flatscreens, chair covers and lounge furnishings.
