

Maritim Hotel & Congress Centrum Ingolstadt

Check-in
early 2023

Location and parking

Occupying a prime spot on the Danube, the new Maritim Hotel & Congress Centrum Ingolstadt is a unique location with a breakthrough design that has been conceived to satisfy the demands of both event planners and leisure travellers alike. The New Castle which houses the Bavarian Army Museum and the Audi Academy are but a few of the hotel's discerning neighbours. Ingolstadt's historical town centre can be reached on foot with just a few steps, the city's main train station is only 4 km from the hotel and Ingolstadt Village only 6 km. The hotel and congress centre share an underground car park with spaces for 500 vehicles and some e-charging stations.

Rooms and suites

The hotel offers 223 modern rooms and suites including 170 double rooms spread across our Classic, Comfort and Superior categories, 22 fully accessible rooms, 2 handicapped accessible rooms, family suites, suites and 2 presidential suites. The suites and presidential suites are located on the 5th floor, the family suites and rooms are spread throughout the floors 1 to 5. Some of the rooms and suites can be extended by a connecting door to an adjoining room.

Food and drinks

The ground floor of the hotel is home to four dining locations that provide conference participants, businesspeople and travellers with excellent food and beverages. Be it the main restaurant with seating for up to 250 people and an expansive outside terrace that covers around 300 sqm, the elegant bistro, the inviting bar or the modern café, diners are delighted with a wide selection of local specialties and international favourites.

Wellness

The expansive wellness area is ideal for a work out after a hard day's work, or simply a good place to come down and relax after some sightseeing. Leisurely laps can be swum in the approximately 5 x 10 m swimming pool and the fitness room equipment includes machines for jogging, elliptical training, weightlifting and biking. Covering around 70 sqm, the sauna area provides a Finnish sauna, a sanarium, a relaxation room and a lifestyle shower. A variety of resorative and massage treatments can be arranged as well.

Event facilities in the hotel

The hotel itself has a 170 sqm hall able to accommodate up to 152 people. On the 4th floor, a rooftop terrace with a view of the castle and direct access from the Congress Centrum offers a variety of possibilities for festive events and incentives.

Event facilities in the Congress Centrum

The Congress Centrum has a direct access to the hotel. In addition to an optional stage, the large hall in the Congress Centrum can be expanded to include a gallery and is able to host events for up to 1,289 participants. The infrastructure also includes a 1,292 sqm conference area on the 2nd floor with foyer and eleven meeting rooms of various sizes. There is the possibility to flexibly combine the conference rooms (see table right). Together with the hall, the Congress Centrum facilities cover a total conference area of 4,172 sqm which is able to accommodate 2,432 people. The hall and all conference rooms have daylight.

In total, the Congress Centrum has a floor space of 7,396 sqm.
