

Sustainable action in the Maritim Strandhotel Travemünde

The Maritim Strandhotel Travemünde has agreed to participate in the GCB's www.fairpflichtet.de initiative and is taking proactive steps to adhere to their guidelines. Known as the Sustainability Codex, the guidelines regulate corporate responsibility as it pertains to economic, ecological and social aspects of the event industry.

The measures our hotel is taking with regards to sustainability are listed below:

Energy, water, refuse

- Increased implementation of energy-saving LED lighting.
- Requirement-based implementation of movement sensors in the conference area.
- Implementation of switch timer programs for ventilation systems.
- Ongoing, centralised energy controlling.
- Reduced flush option on the toilets.
- Energy efficient minibar retrofitting.
- Nationwide sustainable waste management concept.

Food & Beverage

- Predominate usage of seasonal and regional produce.
- Observance and implementation of optimal logistics as they pertain to raw material acquisition.
- Economical, energy efficient and requirement-based policies for food and beverage preparation.
- Expansion of vegetarian dining choices.
- Predominant usage of reusable beverage packaging.

Guests and employees

- Formation of a pro-environment work group with in-house employee trainings focused on teaching sustainability practices.
- Provision of the "Green Meeting" conference rate.
- Co-operation with the national railway (DB) for environmentally conscious travel to and from events.
- Public transport (ostseecard) discounts for guests.
- Bicycle provision for guests.
